: The County Commissioners are fiscal officers for the county. Promoting, maintaining and supporting the County's fiscal position, stability and finances in order to provide quality public services while maintaining low tax rates is a top priority. Next, I believe that all law is founded upon morality, and I seek to promote traditional Judeo/Christian values that respect life, liberty and the protections enshrined in our US Constitution, Bill of Rights and the Declaration of Independence. Our rights are ordained by God, not government. Government must and should protect the natural rights that we all have from our creator. The most important of those rights is the right to life.
