Position and District Sought*: Member, Northwest Local School District Board of Education

Are you an incumbent for this office*: NO

Have you previously held an elected position*: YES

Please list the elec.../: I have served three (non consecutive) terms as a conservative board member, first elected in 2001.

What endorsements ha.../: Would love to get the Right to Life Endorsement!

List your top two ed.../:

1. Teach actual American history, not revisionist American history.
2. Run the school district in a fiscally conservative manner; we are all taxed too much already.

1. Do you support reversal of Roe v. Wade and Doe v. Bolton?: YES

Comment - Question 1: The turning point for our country's moral decline was this horrible 1973 decision. Since then, respect for life, both born and unborn, continues to become less valuable and sacred; that is a big part on why the crime rate and murder rate is out of control in the USA.

2. Do you support

federal and state legislation to ban abortion-on-demand from fertilization to birth?:

YES

Comment - Question 2:

Stopping on-demand, especially partial birth abortion, is the first step in regaining some sort of moral ground in the USA.

3. Will you support a policy in the schools forbidding counselors, volunteers and any other school personnel to - advocate, refer for, provide transportation for, or counsel for abortion?:

YES

Comment - Question 3:

100% support this.

4. Do you support Ohio's parental notification and consent laws pertaining to abortions performed on minors?:

YES

Comment - Question 4:

100% support this.

5. Do you support and advocate schools' enforcement of Ohio statutes mandating reporting of known or suspected sexual abuse of minors?:

YES

Comment - Question 5:

6. Do you support policies prohibiting provision of hormonal contraceptives, including the Morning After Pill and any abortion-inducing medication such as RU-486, to students?:

YES

Comment - Question

6:

7. Do you oppose school/administration and student efforts to promote or condone homosexuality, sex outside of marriage, or reproductive “rights” in curriculum, classroom or extracurricular activities?:

YES

Comment - Question 7:

I opposed it in 2006, and warned the other board members that the first group that wanted board approval would only be the first step in promoting a bigger agenda. Guess what? Now there are safe zones in the school, and a much bigger group/club presence at our two high schools.

8. Do you support teachers’ and students’ rights of conscience to express their moral and religious convictions without repercussions?:

YES

Comment - Question 8:

9. Will you work to overturn any federal, state, or local mandates restricting teachers’ and students’ free speech rights, including pro-life and religious expression?:

YES

Comment - Question 9:

10. Do you oppose laws that require schools to offer gender-neutral features such as shared male-female restrooms and locker rooms, free access to same sex restrooms and locker rooms for allegedly transgender students, and combined male and female contact sports teams?:

YES

**Comment - Question
10:**

Allowing gender-neutral lockers rooms, restrooms, etc... has to be one of the most insane thing the liberals have ever thought up, and that is saying something!

**11. List all
organizations to
which you have
contributed time or
money in the past
four years.:**

Trump for President
Chabot for Congress (I believe I have in the last four years)
Dan Unger for Colerain Twp. Trustee
