Position and District Sought*: District 8 Republican State Central Committee Representative

Are you an incumbent for this office?*: NO

Have you previously held an elected position?*: YES

: Elected to my local Republican Precinct Central Committee in 2010 and held that for 12 years as well as serving as Madeira Ward Chair for 8 years. This position includes supporting pro-life candidates at the polls during elections. I've run for State Central Committee twice before and for Madeira City Council - I received your endorsement for that office in 2019. The incumbent in this race is not a conservative and led an abortion advocacy group in the 1990's called Republicans for Choice.

: Ohio Conservatives PAC, Ohioans for Local Control of Education, Conservative Republican Leadership Committee, Ohio COPS for Trump, Ohio Republican PAC, Hamilton County Republican PAC, Embryo's Alive, Republicans for A Greater Cincinnati, Dan Regenold, Eric Deters, Raj Rajagopal, Max Black - Local Activists.

If I receive the endorsement of CRTL PAC, I will only accept endorsements from organizations, groups or individuals who support the pro-life principles expressed in this survey.: BSH

If I receive the endorsement of CRTL PAC, any personal endorsement I make will be to an organization, group or individual who supports the pro-life principles expressed in this survey.: BSH

1. Do you support reversal of Roe v. Wade and Doe v. Bolton?: YES

Comment - Question 1:

2. Do you support federal and state legislation to ban abortion-on-demand from fertilization to birth?: YES

Comment - Question 2: A fertilized egg represents a human life as surely as a fertilized egg represents a chicken. We are talking about basic biology. Confusing the issue with exceptions, in my opinion, removes faith from the dialog. It is God who gives life and God who takes it away. Many stories exist of medical practitioners being wrong about their predictions of what may or may not happen to the mother and or the child throughout the nine months of pregnancy, labor, or delivery.
