- 1) Secure the Southern Border and stop the flow of opioids by finishing the Wall
- 2) Get our education system back on track and working for STUDENTS – not teachers unions – by defunding Critical Race Theory and funding STEM, tech credits, and other workforce development programs

1. Do you support reversal of Roe v. Wade and Doe v. Bolton?: YES

Comment - Question 1: These decisions are a stain on our nation. I continue to pray for the wisdom of our Supreme Court Justices to make the right decision to overturn Roe v. Wade and return power back to the states where it belongs - and where it will be greeted by a fierce pro-Life state in Ohio.

2. Do you support federal and state legislation to ban abortion-on-demand from fertilization to birth?: YES, with exceptions (please explain)

Comment - Question 2: Life begins at conception. It is an elected leader's fundamental and most basic duty to protect Life. I would support legislation that would ban abortion in all cases except for rape, incest, and to protect the life of the mother.

3. Do you support legislation that prohibits distributing tax money for any reason to organizations that promote or perform abortions domestically or in foreign countries?: YES

Comment - Question 3: It is a violation of religious liberty to fund abortions with taxpayer dollars and this should be made illegal.

4. Do you oppose abortion being funded, subsidized, or otherwise promoted in government programs or education?: YES

Comment - Question 4: No taxpayer dollars to fuel or promote the abortion industry – period.

5. Do you oppose any legislation that promotes or encourages healthcare rationing for the elderly or other vulnerable people?: YES

Comment - Question 5: Being Pro-Life means protecting Life at all stages. The government shouldn't be able to pick "winners" or "losers."

6. Do you support legislation prohibiting the killing of human embryos?: YES

Comment - Question 6:

7. Do you support legislation prohibiting all cloning of human beings?: YES

Comment - Question 7:

8. Do you support legislation prohibiting assisted suicide?: YES

Comment - Question 8:

9. Will you vote for leadership in the House/Senate that upholds pro-life principles?: YES

Comment - Question 9:

10. Do you support the union of one man and one woman as the only definition of marriage that should be legally recognized at all levels of government?: YES

Comment - Question 10: I recognize the law of the land, however I believe in the sanctity of marriage as a union of one man and one woman. The government should not force any religious organization to perform any sacrament or a marriage against its beliefs.

11. Will you oppose any law or regulation that infringes upon an individual's or organization's rights of conscience by forcing participation in abortion or other immoral practices?: YES
