List your top two le.../: (1) Continue to maintain the great community services to our residents and do that without increasing their taxes. We have the lowest township property taxes of any township in Hamilton County and we are the only township in the county that has not had a township tax levy on the ballot in over 10 years.
(2) Continue to maintain our Safety Service level as tops in the region. We just hired 9 new full time Fire/EMS medic personnel and 4 new Sheriff deputies at a cost of over \$1 Million and because of our conservative management of our tax dollars, we did not go to the residents for an increase in their police or fire levy. In Sycamore township, we also staff more personnel in each of our firehouses than all of the communities around us.
