Comments - Question 4: The United States Constitution does not specifically state or indicate a right to privacy as was found to exist in Roe v. Wade.

5. Judges should refrain from “legislating from the bench.” The translation of public policy into law and the creation, extension, modification or limitation of citizens’ rights (and governmental authority) are properly within the province of the legislative, not judicial, branch of government.: Agree

Comments - Question 12:

13. List all organizations to which you have contributed time or money in the past four years.: To comply with this request would be extremely burdensome. I would be willing to meet with a representative of Right to

Life and show the person the organizations. I can say the top ones are Our Lady of Lourdes Church & School, Elder High School, and various Republican organizations. I have never contributed to a pro-abortion organization.
