Position and District Sought*: Clermont County Commissioner (1/3/21 start date term)

Are you an incumbent for this office?*: NO

Have you previously held an elected position?*: NO

: I am the Chairman of the Union Township Clermont County Republican Party which is the largest party within the Clermont County GOP.

: I do not generally seek endorsements. I am not seeking yours. That said, I am 100% pro-life and I respect your work. I summarized my reasons for not seeking CRTL endorsement in an "editorial" here: <http://hicksperience.com/HICKS-CRTL.pdf>

: County Commissioners do not create legislation. I have a 10 point platform. If I were to put it in terms of an overarching theme, it would be to move Clermont County government away from corruption and cronyism and towards efficiency and effectiveness.

1. Do you support reversal of Roe v. Wade and Doe v. Bolton?: YES

Comment - Question 1:

2. Do you support federal and state legislation to ban abortion-on-demand from fertilization to birth?: YES

Comment - Question 2:

3. Do you support legislation that prohibits distributing tax money for any reason to organizations that promote or perform abortions domestically and

in foreign countries?: YES

Comment - Question 3:

4. Do you support removal or prevention of county-provided health insurance benefits from including abortion coverage?: YES

Comment - Question 4:

5. Do you support exclusion of abortion coverage from indigent care and other countywide tax levies?: YES

Comment - Question 5:

6. Do you oppose abortion being funded, subsidized, or otherwise promoted in government programs or education?: YES

Comment - Question 6:

7. Do you oppose any legislation that promotes or encourages healthcare rationing for the elderly and other vulnerable people?: YES

Comment - Question 7: I am not sure what you mean and the "devil is in the details." I think I am "yes," but this is too general.

To make my point, I would support "rationing" sex change operations for the elderly.

8. Do you support legislation prohibiting the killing of human embryos used for scientific research?: YES

Comment - Question 8:

9. Do you support legislation prohibiting all cloning of human beings?: YES

Comment - Question 9:

10. Do you support legislation prohibiting assisted suicide in Ohio?: YES

Comment - Question 10:

11. Do you support the union of one man and one woman as the only definition of marriage that should be legally recognized at all levels of government? : YES

Comment - Question 11: I think this question is inappropriate in your survey. I also think the ship has already sailed on this. It is now a reality and accepted in the culture (especially in the young).

Would you rather a baby be aborted than adopted by a same sex couple?

Stick to a LIFE mission.

12. Will you oppose any law or regulation that infringes upon an individual's or organization's rights of conscience by forcing participation in abortion or other immoral practices?: YES

Comment - Question 12: Again, an odd question on your survey. What are the "other immoral practices?" I am exceptionally moral and straight laced, but I am concerned with your drift in mission.

Stick to a LIFE mission.

13. Would you work actively to revoke any such laws, regulations or ordinances that infringe upon an individual's or organization's rights of conscience?: YES

Comment - Question 13: I think you are vague here but I think I agree. I think that if we follow the Constitution and have limited government, there is an inherent protection of our rights. Unfortunately "role of government" overreach today puts our rights at risk.

14. List all organizations to which you have contributed time or money in the past four years.: I have to quite a few organizations but never to one that would have other than a life stance.

I have contributed to Voices for the Voiceless, Dave Ramsey, the American Legion Boy's and Girl's State, my church, Donald Trump and more.
