Are you an incumbent for this office?: YES

Have you previously held an elected position?: YES

: Prior to serving in Congress, I held no elected offices.

: Endorsed by the following county Republican parties: Clermont, Brown, Highland, and Scioto. I have submitted a questionnaire for the Ohio Right to Life endorsement.

: As a member of the House Select Committee on Intelligence and as a Colonel in the Army Reserves, I'm committed to seeking solutions which protect our homeland and our interests overseas. I will never stop advocating for our military and for a strong national defense. That includes making sure our military has the resources they need to protect us.

As a doctor, and a member of the Ways and Means Committee, a priority of mine is to push for reforms of our federal anti-poverty programs that give people opportunity rather than trapping them in a system where success is punished. Individuals need to have hope when it comes to improving their lives and have the opportunity to live the American Dream, not be stifled by the federal government.
